- 1. Spelling:** These questions test for the ability to spell words that are used in written business communications.
- 2. Grammar, usage, punctuation:** The grammar and usage questions test for the ability to apply the basic rules of grammar and usage. The punctuation questions test for a knowledge of the correct placement of punctuation marks in sentences.

Keyboarding practices:** These questions test for a knowledge of preferred practices in such areas as letter format, capitalization, hyphenation, plurals, possessives, word division, word and figure style for numbers, and common proofreading marks. In addition, you will be given a passage to proofread and asked questions about how to correct the errors in the passage.

The test consists of two or more “sets” of questions, each set concerning a different problem. Typical record keeping problems might involve the organization or collation of data from several sources; scheduling; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents.
- 5. Office practices:** These questions test for a knowledge of generally agreed-upon practices governing the handling of situations when stenographers, typists, and secretaries encounter in their work, as well as a knowledge of efficient and effective methods used to accomplish office tasks. The questions will cover such topics as planning work flow; setting priorities; dealing effectively with staff, visitors, and callers; filing and retrieving information; safeguarding confidentiality; using office equipment; and making procedural decisions and recommendations which contribute to a well-managed office.

Use of a calculator is **PERMITTED** for this exam.

Waivers must be submitted within 14 days of the written exam date. **Please Note:** Candidates who are permanently employed in an agency under the jurisdiction of Oswego County in a position that required a typing performance test, may waive this performance test.
